## Pronunciation Guide

Chang'e is the name for the goddess of the Moon:

/ˈtʃɑːŋ.ə/

CHAHNG-ə

Cháng'é

The “ang” is more like the “-ung” in “sung.”

The “e” is more like “uh.”

Non-Mandarin Sinophone speakers can pronounce it the way they know/are most familiar with.

“Shi” is pronounced like “she,” which is the anglicized pronunciation. The Mandarin pronunciation should only be used when pronouncing Jane’s full Chinese name.
